ISLA URBANA HIGH SCHOOL SUMMER PROGRAM

Take a look and consider joining us on this unique 1 week adventure where you’ll learn more about the impact of our work and get more familiar with the Mexican culture.

DURING THE TRIP YOU WILL:

• Get your hands dirty
Work alongside our staff and help to install a rainwater harvesting system for a community that you fundraised for!

• Participate in Cultural Activities
A visit to the pyramids of Teotihuacan and at least one other major attraction. You will also visit the local market and stay within walking distance of the Zocalo, the largest square in Latin America where you will be able to explore during your free time.

• Take a deeper look into Isla Urbana
You’ll be coming with us on field visits where you will meet people who have benefited from our work and also future beneficiaries. You’ll also meet some community organizers and see the situation of water scarcity in Mexico.

• Complete an Isla Urbana Workshop
Our staff will provide you a one day workshop where you will learn more about building your leadership skills, social entrepreneurship, community building, social media, design, volunteerism and the technical side of installing a rainwater harvesting system.

REQUIREMENTS

At least 16 years of age and show initiative in growing their leadership skills and learning more about water scarcity in Mexico.

The cost of the program is $1,475 per student for early registration by 12/15/18. $1550 for registration from 12/16/18-1/31/19. The cost includes $500 towards funding a system, room and board, roundtrip flight from Dallas or Los Angeles, transportation for all activities that are part of the program, breakfast and lunch and Isla Urbana and administrative costs.

Chaperone opportunities are available for parents and guardians. We allow for a 1 to 5 student/parent ratio per program. Priority is given on a first approach basis and by the deadline provided. Chaperones must cover their costs although we plan for a most economical trip.

Sign up and chaperone deadline:
• EARLY Registration by December 15th, 2018 with a $500 deposit - Trip price of $1475
• LATE Registration December 16th - January 31st with a $500 deposit - Trip price of $1,550

Fundraising Deadline:
May 31st, 2019

Date of Program:
June 23rd-28th, 2019
